DRAINAGE COMPONENTS

With over 50 years of experience, Tzafos V. & Co. specializes in the manufacturing of plastic drainage and ventilation fittings, as well as the design and production of precision moulds. Equipped with advanced manufacturing facilities and a highly skilled team, we deliver superior-quality products that stand the test of time. Every solution we offer is driven by our passion for precision and our commitment to the highest industry standards.

Guided by a dedication to reliability and innovation, we provide tailored solutions that foster long-term partnerships built on trust. Our expert team offers ongoing guidance and support, ensuring optimal performance in every application.

Our product range includes a comprehensive selection of drainage components that combine outstanding quality with competitive pricing. By choosing Tzafos V. & Sia S.A., you are investing in reliability, long-lasting performance, and precision-engineered solutions.
